SHARING SCIENCE:  
TOWARDS NEW HORIZONS

## EuroScience Open Forum 2018, Toulouse

### Call for Volunteers

ESOF (EuroScience Open Forum) is the largest interdisciplinary science meeting in Europe. It is dedicated to scientific research and innovation and offers a unique framework for interaction and debate for scientists, innovators, policy makers, business people and the general public.

Created in 2004 by EuroScience, this biennial European forum brings together over 4 000 researchers, educators, business actors, policy makers and journalists from all over the world to discuss breakthroughs in science. More than 40% of the participants are students and young researchers.

**The 8<sup>th</sup> edition of ESOF will take place in Toulouse, France, from 9 to 14 July 2018.**

Parallel to the EuroScience Open Forum, the Science in the City Festival will invest the city and its surroundings. As a free event, the Science in the City Festival is aimed at people of all ages who are curious about science and innovation.

**Science in the City Festival will take place in Toulouse, France, from 7 to 15 July 2018.**
